

Aquatic Sponsored Teams Use Fee

In October 2009, citizens initiated a request regarding aquatic sponsored teams. In November 2009, the Aquatics Task Force was initiated and meetings were held to develop an allocation policy, process and use guidelines. The task force agreed to and recommended a \$3 per hour, per lane use (short course,) and a \$7 per hour, per lane use of long course of the pools. This pilot program fee for Aquatic sponsored teams was approved by the Community Services Executive Director for FY 2010/11. Estimated annual revenue is \$75,000.
